

Wayland Branson

waylandbranson.com • morrisbranson@gmail.com • (469) 408-7059 • www.linkedin.com/in/wayland-branson

PROFESSIONAL PROFILE

Wayland is the kind of marketer who enjoys both making things and figuring out why they work. His background spans content creation, distribution strategy, and digital performance tracking, giving him a systems-first way of thinking about growth. His style is to test ideas, watch the numbers, and refine what performs. Creative, analytical, and quick to learn, he is preparing for a full-time marketing role after graduating in May 2026.

RELEVANT EXPERIENCE

Strategic Partnerships Inc., LLC

Oct 2025 – Feb 2026

Marketing Intern

Remote

- Built and operated a multi-channel distribution engine for executive thought leadership by securing earned media placements as free advertising through targeted publisher outreach, then repurposing articles into LinkedIn posts that leveraged platform email notifications to drive traffic to newsletter signup pages, with performance tracked using UTM links and CRM reporting.
- Designed graphics and promotional assets for newsletters, LinkedIn campaigns, and paid-information products to support ongoing marketing initiatives and elevate brand presentation.

KazSource and QuietLoud Studios

June 2025 – Oct 2025

Marketing Intern

Remote

- Produced podcast show notes, blog posts, and SEO metadata that improve discoverability and reinforced brand voice across shows for multiple clients.
- Managed and grew three social media campaigns by creating short-form videos, graphics, and captions while experimenting with formats and testing strategies to drive measurable increases in engagement.
- Maintained and updated websites through WordPress and Transistor by publishing episodes and blog posts with accurate embeds, consistent design, and optimized presentation.

88.1 KNTU FM

May 2023 – August 2024

Music Director

Denton, TX

- Wrote and produced on-air scripts for paid promotional radio spots, tailoring messaging to client brand voice and station audience for optimal listener impact.
- Developed and executed weekly content calendars and music programming based on audience metrics, while coordinating social media campaigns that expanded reach and boosted listener engagement.
- Organized and led multiple in-person promotional events, coordinating logistics and engaging directly with audiences to strengthen brand presence and build community relationships.
